Unit 1 - Workshop 3 Work Sheet – What I Know: The Record

Read the caption below the photograph from Set 2. When you are finished, investigate the following questions.

Questions:

What I Know:

When was the photograph taken?	
Where was the photograph taken?	
What does the title tell you?	
What was the purpose of the photograph at the time it was taken?	
Who is the photographer?	
Who was the intended audience – (e.g. family, newspaper readers, general public, etc.)?	
What archive/collection (not the website) does it come from?	
What/whose point of view appears to be represented in the archive collection? (You will need to review <i>The Ties That Bind</i> website to answer this question.)	

How has your understanding of the photograph changed since the time you first viewed it? What conclusions can you draw from your observations?
